Sir,

I have the honor to state that Tiptur which is a commercial Town has a flourishing Municipality and is growing in importance. The Tiptur Municipal Board is suggesting certain sanitary improvements to the Town such as, opening conservancy lanes, putting up drains and tunnels, opening congested localities &c and has proposed the entertainment of an Assistant Sanitary Inspector for the supervision of the Municipal works, since the present Sanitary Inspector of the Taluk who supervises both the Municipal and District Fund works cannot satisfactorily attend to the several works of improvements suggested. The present financial condition of the Tiptur Municipality allows the execution of the proposed works and the permanent employment of an Assistant Sanitary Inspector, since its closing balance for the current year is estimated to be Rupees 15929/-. I am also of the opinion that the Town requires certain sanitary improvements and that the proposed employment of an Assistant Sanitary Inspector solely for the supervision of Municipal works is necessary. I request that sanction to the entertainment of an Assistant Sanitary Inspector on a monthly salary of Rupees 20-1-25+10 may be kindly accorded.

The

The pay of the proposed Assistant Sanitary Inspector for the remaining portion of the current year will be met by reappropriation out of the provision under C2 P.W.in the current year's Budget of the Tiptur Municipality as proposed by the Tiptur Municipal Board.

2. A copy of the Proceedings of the meeting held by the Tiptur Municipal Board on the 18th November 1912 together with the Gubbi Sub-Division Officer's yadi No.136 dated the 8th December 1912 is herewith forwarded for perusal.

To

K. R. Sreenivasa Iyengar Esqr., M.A.,
Offg: Secretary to the Government of

Sir,

With reference to your letter No.6502/M1·64-12-42 3457
dated the 25th February 1913 in re the entertainment of a separate Assistant Sanitary Inspector for the Tiptur Municipality on a pay of Rupees 20-1-25÷10, I have the honor to state that the total expenditure provided in the current year's budget is Rupees 14612/-. Out of this, a sum of Rupees 11048/- is provided under C2 Public Works, which forms the bulk of the Improvement Grant which is purely optional. The permanent recurring expenditure is therefore only Rupees 3564/- which is far less than the estimated receipts of the Municipality, viz Rupees 6305/-, and ordinarily leaves an adequate margin for public works. There is also a proposal to introduce the levy of toll in the Town which will surely bring in additional revenue to the Municipality.

The Municipality is at present paying a contribution of Rupees 276/- towards the pay of the Sanitary Inspector of Tiptur Taluk. If a separate Assistant Sanitary Inspector is sanctioned for the Town, the Municipality will cease to pay

the

the above contribution and this sum will be available towards the pay of the Assistant Sanitary Inspector, and the additional amount actually required therefor will be only Rupees 84/- This small extra expenditure can well be borne by the Municipality especially in view of the fact that the introduction of toll will bring in additional revenue and that the Municipality is already in a flourishing condition

In these circumstances, I request that sanction of Government to the entertainment of the Assistant Sanitary Inspector from 1st July 1913 may be kindly accorded

I have the honor to be,

Sir,

Your most obedient servant,

C & Balasundaramudali
